Compact Utility Loaders

Work Smarter Not Harder! Toro® Dingo® compact utility loaders are the answer, turning workers into productivity machines. These compact hydraulic power plants accomplish tasks otherwise done by hand or by less productive machines in a fraction of the time. All Toro Dingo compact utility loaders offer incredible hydraulic power in a compact, maneuverable package. Coupled with a broad array of powerful Toro Dingo attachments, you'll be amazed at what these machines can do!

Attachments

Toro sets the industry standard for compact utility loader attachments. Tough, powerful attachments built to tackle the most challenging conditions. Every attachment is equipped with Toro's unique quick attach system that allows you to change attachments in under a minute. Handle any job with one of Toro's 35+ attachments.

Dingo 220

- 20hp Kohler® Engine
- Hydraulic Flow Divider
- 2 Pump System
- 2 Ground Speeds
- Compact Size

Contractor Price
\$ 12,500

Dingo 323

- 23 hp Kohler® engine
- 4-Paw™ Independent 4-Wheel Drive
- 2-Pump System
- 2 Ground Speeds
- Hydraulic Flow Divider
- Adjustable Thigh Support

Contractor Price
\$15,550

Dingo TX 525N

- 25 HP Kubota
- 33.7" Wide
- Versatile
- Turf Friendliness

Contractor Price
\$ 18,350

Dingo TX 525W

- 25 HP Kubota
- 41" Wide
- Versatility
- Low Ground Pressure

Contractor Price
\$ 19,350

Dingo TX 420

- 20 hp Kohler® engine
- 33.7" Wide
- Versatile
- Turf Friendliness

Contractor Price
\$15,990

Dingo TX 425

- 25 HP Kohler® engine
- Wide Track Design
- Versatility
- Low Ground Pressure

Contractor Price
\$16,990

...NOT HARDER

DINGO® Compact Utility Loaders

Trencher **\$4,243**
So versatile, it can be used to dig a trench up to 3' 6" deep and 4" to 12" wide. Comes with a 6" chain. Various chain options available.

Trench Filler **\$2,202**
Designed for time and money-saving efficiency, this new attachment lets operators fill trenches in a single pass.

Bore Drive Head **\$3,229**
Compact and functional, used to bore below sidewalks, driveways, etc. A choice of assorted rod lengths allows for operation in both confined and open areas.

Standard Bucket **\$451**
Use this standard bucket for moving rock, dirt, sand or other materials off and around the job site. 4 cu. ft., Narrow bucket and loose materials bucket also available.

Tooth Bar **\$340**
Add a tooth bar to your standard bucket to increase it's digging ability. Tooth bars are also available for loose materials and narrow buckets.

Backhoe **\$7,071**
Rugged and versatile. Used to prepare the job site by digging, loading, trenching, back filling or doing demolition. Digs up to 6' 6" deep. Choose between 9", 13", and 16" bucket widths.

Vibratory Plow **\$4,995**
Elliptical vibrating motion pulls pipe through difficult soil conditions. Unique depth gauge allows you to see how deep you are at all times. Optional bullets and pullers, feed blade and reel available.

High Torque Auger Power Head **\$2,495**
Allows you to dig large diameter holes from 6" to 30" in difficult conditions. Excellent for digging holes for trees, footings, or irrigation valve boxes.

Universal Swivel Auger Head **\$2,295**
This high speed auger drive head creates plumb holes on various slopes. Perfect for fence posts.

Tree Forks **\$1,210**
Adjustable hydraulic forks open to 30" wide to grab trees and large shrubs. Pinpoint maneuverability allows exact placement.

Adjustable Forks **\$590**
Carry and maneuver posts, irrigation supplies and plant materials.

Soil Cultivator **\$5,565**
Makes a perfect seed bed in one pass. Cultivates, grades, buries stones, dirt clods, overgrowth, grass and debris.

Power Box Rake **\$5,705**
The perfect tool for seed bed and sod bed preparation. The rotary drum pulverizes rough soil, cuts high spots and fills low in one pass; while removing rocks and debris.

Tiller **\$3,335**
40" wide and able to till over six inches deep on one pass. Reversible tine rotation allows you to free jams quickly and easily.

Stump Grinder **\$3,295**
The Toro Dingo Stump Grinder easily grinds stumps to 16.5" below grade. It is yet another among 50+ durable attachments to expand your job scope.

Hydraulic Breaker **\$5,910**
Powerful! Delivers 175 ft.-lbs. of force and 1200 blows/min. Multi-position mounting head lets you break in vertical and horizontal positions.

Grapple Rake **\$2,495**
Allows operators to grap, drag, lift and place materials with ease. The grapple has two heavy-duty cylinders capable of producing 3000lbs of clamping force at the tine tips, insuring you can "grab-ahold" and not let go.

Cement Bowl **\$673**
Lets you mix, haul and pour cement directly where you want in one step.

Grapple Bucket **\$2,495**
Timber Wolf's heavy duty teeth lock onto and lift stumps, brush, concrete, and asphalt, and hold it securely in place for transport to the dump site. From clearing the site to final landscaping, the Timber Wolf is a rugged, versatile, and invaluable attachment.

Snowthrower **\$3,335**
This hydraulic, direct drive 44" 2-stage snowthrower is great for clearing sidewalks and driveways and for breaking down huge piles of snow. (Optional snow cab available.)

Bush Hog Cutter **\$3,995**
At over 4' wide this machine will handle your most demanding cutting jobs in no time. With maximum cutting capacity of 2", this attachment is hard to stop.

Rotary Broom **\$3,295**
Sliding pivot joint lets broom head follow uneven terrain for uniform bristle pressure and thorough clean-up. Great for light snow removal too.

Leveler **\$505**
Easily spreads and grades dirt, eliminates hand raking, and carries a multitude of materials around the job site.

Utility Blade **\$1,695**
This 4' wide blade can be angled right or left by the flip of a lever. Applications include back filling trenches, grading, and pushing snow.

Multi-purpose Tool **\$511**
3 Great Tools in One! Use the 3 ripper tines to break hard ground, remove stumps, and shrubs, or attach the towbar/ball for moving trailers, or attach the boom to haul trees.

TX Platform **\$495**
The TX Platform is great for riding long distances and designed for maximum shock absorption. The platform can fold up out of the way when it is unsafe to ride.

Hydraulic Fork Lift **\$4,995**
The Hydraulic fork lift by Forkster enables your Dingo to lift up to 2,500lbs up to 8'.

Platform **\$425**
These platforms help reduce operator fatigue and improve operator line of sight. The platform can fold up out the way when is unsafe to ride.
